

How to find a space

1. Park in one of the parking lots around the Market
2. Walk onto the Market and find the Block Captain
3. Tell the Block Captain that you need a single/double space
4. The Block Captain will then assign a space for that day
5. Now, bring products on to the Market either by walking or driving

Driving products on the to the Market

1. Follow the one way driving patterns
2. Pull all the way off the yellow brick road while loading/unloading
3. Don't set up you display until you vehicle is off the Market
4. Use the correct entrances/exists for each block
